Introduction

My name is Christopher Bodenlos, and I'm a developer with a penchant for the web, interaction design, and the visual arts.
I graduated from the University of Colorado in Boulder with a bachelor's degree in fine arts.
After graduating, I joined TDO Inc. in Irvington, NY as a web developer, and later became a senior developer helping clients represent themselves on the web.
I'm currently working as a freelance developer in Connecticut.

Education

BA in Fine Art
University of Colorado at Boulder
